

Please tell us what would you like to see covered

Please let us know what you think of the Alliance and in particular please let us know the type of content / format you would like to see on the Acceleration Programme - how should it be structured, what topics should be covered, how long should it run.

Post a comment on the blog and hopefully others will add to it. If you prefer, email me directly on alliance@realexpayments.com

Thanks - Colm Lyon.
